

ALFC3840ELB

Husky Alfresco Double Door Chiller

Specifications

GTIN	5060535962384
Designed to Suit	Outdoors
Function	Drinks Chiller
Gross Total Capacity (Litres)	307lt
Nett Total Capacity (Litres)	280lt
Door Type	3 x Hinged Glass Doors
Reversible Doors	No
Handle	Chrome Fixed
Shelves Type	6 x ChromeWire Shelves
Feet	4 x Adjustable Feet
Back of Unit Material	430 Stainless Steel
Exterior Colour	Stainless Steel
Interior Colour	Black HIPS
Interior Light	Full Surround LED Strip Light
Door Lock	Yes
Food Safe	No
Temperature Control	Electronic
Temperature Range (°C) Min	+0
Temperature Range (°C) Max	+10
Cooling Type	Ventilated
Defrost Type	Automatic
Refrigerant	R600a
Refrigerant Charge	73g
Energy Star Rating	6 Stars
MEPS Energy Consumption	3.54kWh/24H
Annual Energy Consumption	1292kWh/year
Input Current (A)	2.3A
Voltage/Frequency	220-240/50
Noise Level (dbA)	58
Gross Weight	83kg
Net Weight	76kg
Internal Product Dimensions (mm)	(W) 1266 x (H) 695 x (D) 405
External Product Dimensions (mm)	(W) 1350 x (H) 838 x (D) 541
Packaging Dimensions (mm)	(W) 1395 x (H) 870 x (D) 564
Required Ventilation (mm)	Min 50mm- 100mm clear space around the unit
Country of Origin	China
